Reach & Match® Inclusive Learning Program: Fun for All

Presentation & Workshop: Reach & Match® Inclusive Learning Program: Fun for All

When: Wednesday 17 February 2016 4:30-6:00pm

Presenter: Mandy Lau, Founder & Designer of Reach & Match® Learning Kit

Fee: \$20 includes afternoon tea (\$10 refundable for any purchase of Reach & Match®)

Description

Reach & Match® is an award-winning inclusive kit for children with vision impairment and additional needs to learn braille and essential childhood skills with their peers in mainstream settings. It includes braille and print form for both vision impaired and sighted children to develop literacy and acquire early concepts of space & positional play, emotional development, motor, communication and social skills. The presentation will explain its research, unique features, applications and education values, and demonstration of Reach & Match will also help participants to understand how innovative and effective to apply Reach & Match in classes for their students with varying needs.

Reach & Match® Inclusive Learning Program is the result from collaborating with specialists and educators to develop 30 functional exercises and games based on 7 Learning Outcomes: Braille Learning, Cognitive Skills, Sensory Integration, Sense of satisfaction, Language Enrichment, Body Movement and Social Interaction. The design has received the Monash Vice-Chancellor's Social Inclusion Design Award, James Dyson Award and Red Dot Award etc. It is widely adopted at early learning centres, mainstream & special schools, universities, clinics and organisations in Australia and overseas.
